

2026 Integrated Industrial Solutions Catalogue

Chinata Group (Pty) Ltd

Integrated Solutions for Mining, Industrial & Utility Assets

Level 1 BBBEE | Black Female Owned

Registration Number - 2016/410010/07

Company VAT Number - 4960279844

 **Email** - admin@chinatagroup.co.za

 **Contact Number** - +27 (0) 82 481 5338

About Us

Chinata Group is an integrated industrial solutions platform supporting **mining**, **industrial** and **utility** operations. The group combines manufacturing capability with broad industrial sourcing to provide coordinated supply solutions across **fabrication**, **casting**, **hydraulics**, **mining equipment**, **electrical infrastructure** and **MRO** supply.

Core Divisions

Fabrication Division

Engineered Fabrication & Structural Solutions

Chinata is able to **manufacture** or **refurbish** components to client **drawings**, **specifications**, or **sample parts**, ensuring conformance to required **engineering** & **material standards**.

STRUCTURAL FABRICATION

- ▶ Structural steel fabrication
- ▶ Plant platforms and walkways
- ▶ Steel support structures
- ▶ Equipment bases and frames

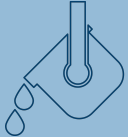

MECHANICAL FABRICATION

- ▶ Mechanical Assemblies
- ▶ Fabricated machine components
- ▶ Process plant components
- ▶ Pipe supports & brackets

REFURBISHMENT & REPAIR

- ▶ Refurbishment of structural components
- ▶ Repair of plant structures and equipment
- ▶ Modification of fabricated equipment
- ▶ Refabrication of worn components

■ Core Divisions

Foundry Casting Division

Industrial & Mining Cast Components

Chinata is able to **manufacture** or **refurbish** components to client **drawings, specifications, or sample parts**, ensuring conformance to required **engineering & material standards**.

WEAR COMPONENTS

- ▶ Crusher wear parts
- ▶ Mill liners
- ▶ Chute liners
- ▶ Wear resistant cast components

MECHANICAL CAST COMPONENTS

- ▶ Bearing housings
- ▶ Pump casings
- ▶ Gear housings
- ▶ Structural cast components

REFURBISHMENT & REPLACEMENT CASTINGS

- ▶ Replacement casting manufacture
- ▶ Refurbishment of worn cast components
- ▶ Recasting of industrial parts

■ Core Divisions

Hydraulics Division

Hydraulic Manufacturing & Repair

Chinata is able to **manufacture** or **refurbish** components to client **drawings**, **specifications**, or **sample parts**, ensuring conformance to required **engineering** & **material standards**.

CYLINDER MANUFACTURING

- ▶ Custom hydraulic cylinders
- ▶ Heavy-duty mining cylinders
- ▶ Telescopic cylinders
- ▶ Industrial cylinders

HYDRAULIC COMPONENTS

- ▶ Hydraulic pumps
- ▶ Hydraulic valves
- ▶ Hydraulic hoses
- ▶ Hydraulic fittings

CYLINDER REFURBISHMENT & REPAIR

- ▶ Hydraulic cylinder rebuilds
- ▶ Rod repair and re-chroming
- ▶ Seal replacement
- ▶ Component refurbishment

■ Our Core Divisions

Mining Equipment & Machinery

Brand Agnostic Supply

Chinata sources **mining equipment** aligned to client **operational** requirements and **technical** specifications. Equipment categories include but *are not* limited to:

UNDERGROUND MINING EQUIPMENT

- ▶ Load haul dump machines (LHDs)
- ▶ Underground dump trucks
- ▶ Development drill rigs
- ▶ Long hole production drill rigs
- ▶ Roof bolters
- ▶ Cable bolters

UNDERGROUND UTILITY VEHICLES

- ▶ Multi-purpose underground utility vehicles
- ▶ Explosive carrier vehicles
- ▶ Material transport vehicles
- ▶ Maintenance service vehicles

CASSETTE CONFIGURATION INCLUDE:

- ▶ Lubrication cassette
- ▶ Material transport cassette
- ▶ Scissor lift cassette
- ▶ Personnel transport cassette
- ▶ Explosive accessories cassette

MINERAL PROCESSING EQUIPMENT:

- ▶ Crushing equipment
- ▶ Screening equipment
- ▶ Grinding mills
- ▶ Mineral processing systems

CONVEYOR SYSTEMS & MATERIAL HANDLING:

- ▶ Conveyor belts
- ▶ Conveyor rollers and idlers
- ▶ Conveyor drives
- ▶ Conveyor structures
- ▶ Conveyor support components

■ Our Core Divisions

Indirect Sourcing

Chinata is able to **manufacture** or **refurbish** components to client **drawings, specifications, or sample parts**, ensuring conformance to required **engineering & material standards**.

1. Electrical Equipment & Power Infrastructure vision

ELECTRIC MOTORS & DRIVERS

- ▶ Electric motors
- ▶ Variable speed drives
- ▶ Motor control systems
- ▶ Control panels

POWER DISTRIBUTION EQUIPMENT

- ▶ Switchgear
- ▶ Transformers
- ▶ Electrical distribution panels
- ▶ Power management systems

2. High Voltage & Industrial Power Cables

POWER CABLES

- ▶ High-voltage power cables
- ▶ Medium-voltage power cables
- ▶ Armoured industrial power cables
- ▶ Mining-grade electrical cables

CABLE ACCESSORIES

- ▶ Cable glands
- ▶ Cable joints
- ▶ Termination kits
- ▶ Protection systems

3. Industrial Piping Systems

PIPES

- ▶ Steel pipes
- ▶ HDPE pipes
- ▶ Industrial piping systems

PIPE COMPONENTS

- ▶ Pipe flanges
- ▶ Pipe bends
- ▶ Pipe elbows
- ▶ Reducers and tees

4. Pipe Sealing & Repair Systems

SEALING DIVISION

- ▶ Pipe sealing kits
- ▶ Pipe repair clamps
- ▶ Emergency pipe repair kits
- ▶ Flange sealing systems

5. Tools & Industrial Equipment

HAND TOOLS

- ▶ Spanners and socket sets
- ▶ Screwdrivers
- ▶ Pliers and cutters
- ▶ Torque wrenches

IMPACT TOOLS

- ▶ Pneumatic impact wrenches
- ▶ Electric impact drivers
- ▶ Hydraulic torque tools

6. Electronic Tooling & Diagnostic Equipment

TESTING INSTRUMENTS

- ▶ Multimeters
- ▶ Clamp meters
- ▶ Oscilloscopes
- ▶ Circuit testers

7. Laboratory Chemicals & Equipment

LABORATORY CHEMICALS

- ▶ Analytical reagents
- ▶ Metallurgical testing chemicals
- ▶ Calibration chemicals

LABORATORY EQUIPMENT

- ▶ Sample preparation equipment
- ▶ Laboratory pumps
- ▶ Balances and scales
- ▶ Laboratory ovens

8. Maintenance, Repair & Operations (MRO)

MECHANICAL MAINTENANCE

- ▶ Bearings
- ▶ Seals
- ▶ Fasteners
- ▶ Industrial lubricants

ELECTRICAL MAINTENANCE

- ▶ Electrical components
- ▶ Wiring systems
- ▶ Lighting equipment

9. Personal Protective Equipment (PPE)

SAFETY EQUIPMENT

- ▶ Safety boots
- ▶ Overalls
- ▶ Hard hats
- ▶ Respirators
- ▶ Safety eyewear
- ▶ Gloves
- ▶ Hearing protection
